THIS MATTER is before the Court on its own motion.

On April 25, 2008, Plaintiff EST LLC (“EST”) filed, in one document, a Complaint and Motion for Preliminary and Permanent Injunction and Motion to Stay Action and Compel Arbitration. Document #1 (Pl. Compl.). The Motion for a Preliminary Injunction and the Motion to Stay this Action and Compel Arbitration only include generalized allegations. Pl. Compl. 6-7. The Local Rules of this district require a brief to be filed in support of nearly every motion. See LCvR 7.1(C) (stating that “Briefs *shall* be filed contemporaneously with the motion”) (emphasis added). Therefore, insofar as the Plaintiff seeks immediate relief from the Court in the form of a preliminary injunction or an order staying this present action and compelling arbitration, the Plaintiff must file a brief in support of those motions.

IT IS, THEREFORE, ORDERED that the Plaintiff file a brief in support of any motion upon which it seeks immediate relief by the Court.

IT IS SO ORDERED.

Signed: May 2, 2008

Richard L. Voorhees
United States District Judge
